

Tutor Job Description

Rize Beyond is an organization that assist low-come young adults with obtaining their GED and setting pre and post GED goals. Most participants lack support and have barriers to overcome. Tutors will assist participants with any questions they may have regarding the four GED subject areas.

Tutor responsibilities consist of the following:

- Assist participants with the four subject areas of the GED
 - ❖ Mathematics
 - ❖ Language Arts
 - ❖ Social Studies
 - ❖ Science
- Commit to at least one evening per week
- May tutor in an individual and/or group setting
- Depending on the participant's learning style, may offer virtual tutoring

Qualifications

- Has earned at least a high school diploma or GED
- Proficient in the four subject areas
- Must be 18 years or older
- Respect and empathy for participants
- A positive attitude and good listening skills
- Patience, understanding, and a sense of humor
- A commitment being reliable, responsible, and dependable, and fulfilling obligations

Background check is required. This is a volunteer opportunity.
